2022-2024 FORTISSIMO

As the Fortissimo VR Project Manager I coordinate the development and launch of the Digital Music House, writing the concept and coordinating cross-functional teams.

2018-2023 FONDAZIONE HAYDN STIFTUNG

I supported the communication office of the Haydn Foundation in the conception and development of digital projects, multimedia campaigns, and live events.

2018 COPYWRITER

After my research grant, I was called by Centro Studi Erickson, a national publishing house based in Trento and Rome, as an author of books for schools

2015-2016 - INTERNSHIP - BERLIN

I spent a year at the French Cultural Centre in Berlin, collaborating with the communication team on digital strategy and organizing cultural events and activities.

2013-2014 - INTERNSHIP - BRUSSELS

L'ARCHE - BRUSSELS | L'Arche is a center based in Brussels and Belfast that cares for children with cognitive disorders. I spent over a year in the communication offices of both cities, supporting daily activities.

2012-2013 - VOLUNTEER - NGO ACTIVITIES

I was selected by the NGO - Peace For Jerusalem - to participate in a year-long project between Italy, Israel, and Palestine. I supported the NGO's director and primarily focused on documenting the organization's projects and activities.

2009-2024 TEACHER

Teacher of Latin, Italian literature, and history at high schools. During university, taught piano and classical guitar at EMUS Music School in Trento.

PROFILE

As a project manager, I am involved in the conception and development of projects, mainly in the cultural sector. I have gained extensive experience primarily in the field of communication, working as a social media manager, copywriter, and content creator, participating in various online and 360 campaigns. Some of the most interesting projects I have worked on are summarized in my [portfolio](#).
