About Me

Misheck is a freelance filmmaker whose work weaves together cinema and personal narrative. Drawing from his Zambian roots and diasporic journey, he explores themes of identity, memory, and cultural transformation.

Selected Experience

Le Capre di Margone

An award-winning mini documentary film, debuted at Trento Film Festival.

Rural Electrification Authority

Documentary film that highlights on rural Zambia getting electrified.

Zenera

YouTube-based one-day documentary series focused on the craft of artisans.

Tralard by World Bank

Showcasing Tralard's work on improving natural resource management in Rural Zambia.

Edu-Care

Protecting the rights of youths and children living with disabilities in parts of Zambia – A Pope John XXIII Association project.
